In future a forecast of works to be executed in each year and of other items of expenditure should be prepared with great care and adhered to as far as possible as per sanctions accorded by Government and wherever a deviation from the budget allotment is found to be absolutely necessary in the course of the year, the same should be embodied in the final revised budgets which should be submitted in the latter half of the year and sanction

of

of Government obtained thereto. This, it is hoped, will avoid the necessity for frequent references now being made to Government by the Comptroller and Presidents owing to the sanctioned scale of establishments and other budget allotments being very often interfered with without proper sanction thereto.
